## Printers: A4

### DocuPrint CP315

#### Print

- Speed: up to 28 ppm colour and mono
- Standard input of 300 sheets with a maximum capacity of 850 sheets
- Cloud connection capabilities
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)

### DocuPrint CP405

#### Print

- Speed: up to 35 ppm colour and mono
- Standard input 700 sheets with a maximum capacity of 1,250
- Paper weight: 60 – 216 gsm
- Mobile printing capabilities (Google Cloud Print and AirPrint)

### DocuPrint CP505/555

#### Print

- Speed: up to 52 ppm colour and mono
- Standard input 550 sheets with a maximum capacity of 2,000
- Paper weight: 60 – 220 gsm
- Recommended AMPV 5,000
- Maximum AMPV 15,000
- Machine Life 900,000

## Printers: A3

### DocuPrint C5005

#### Print

- Speed: up to 55 ppm mono and 50 ppm colour
- Standard input 590 sheets with a maximum capacity of 5120
- Paper weight: 55 – 280 gsm
- Advanced finishing options
- Desktop or floor standing configurations
- Print Resolution of 1,200x2,400 dpi
- S-LED Print Engine

### Phaser 7800

#### Print

- Speed: up to 45 ppm colour and mono
- Standard input 590 sheets with a maximum capacity of 3,090
- Paper weight: 75 – 350 gsm
- Advanced finishing options
- Pantone solid colour simulations
- Print Resolution of 1,200x2,400 dpi
- S-LED Print Engine

## Multifunction Devices: A4

### DocuPrint CM315

#### Print, Copy, Scan, Fax

- Speed: up to 28 ppm colour and mono
- Standard input 300 sheets with a maximum capacity of 850
- Paper weight: 60 – 220 gsm
- Cloud connection capabilities
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)
- Cloud Service Hub and Cloud On-Demand Print ready\*

### DocuPrint CM405

#### Print, Copy, Scan, Fax

- Speed: up to 35 ppm colour and mono
- Standard input 700 sheets with a maximum capacity of 1,250
- Paper weight: 60 – 216 gsm
- Mobile printing capabilities (Google Cloud Print and AirPrint)

### DocuPrint CM415

#### Print, Copy, Scan, Fax

- Speed: up to 35 ppm colour and mono
- Standard input 700 sheets with a maximum capacity of 1,250
- Paper weight: 60 – 216 gsm
- Compact design suitable for desktop

### DocuCentre SC2022

#### Print, Copy, Scan, Optional Fax

- Desktop A3 Colour MFD or floor standing
- Speed 20 ppm
- Mobile Support
- Optional Wireless connectivity

## Multifunction Devices: A3

### Apeosport-VII C7773/C6673/C5573/C4473/C3373/C3372/C2273

#### Docucentre-VII C5573/C4473/C3373/C3372/C2273

#### Print, Copy, Scan

- 10.1 inch colour touch panel
- Colour/Mono up to 70 sheets/minute
- Scan
  - Colour/Mono up to 154 ppm on 25/30/35/45/55ppm
  - Colour/Mono up to 270 sheets/minute on 65, 70ppm
- FAX/SIP (optional)
- Mobile Support
- Cloud Connected
- Wi-Fi Connectivity (optional)

### ApeosPort-V C7785/C6685/C5585

#### Print, Copy, Scan, Optional Fax

- Speed: up to 75 ppm mono and 70 ppm colour
- Standard input 3,260 sheets with a maximum capacity of 5,260
- Paper weight: 64 – 300 gsm
- Advanced finishing options
- Apeos Solutions Integration
- 10.4 inch colour screen with flick and drag operation
- 2,400x2,400 dpi high resolution
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)
- Cloud Service Hub and Cloud On-Demand Print ready\*

### DocuCentre-V C7785/C6685/C5585

#### Print, Copy, Scan, Optional Fax

- Speed: up to 75 ppm mono and 70 ppm colour
- Standard input 3,260 sheets with a maximum capacity of 5,260
- Paper weight: 64 – 300 gsm
- Advanced finishing options
- 9 inch colour screen with flick and drag operation
- 2,400x2,400 dpi high resolution output
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)
- Cloud Service Hub and Cloud On-Demand Print ready\*

### DocuCentre-V C2265/C2263

#### Print, Copy, Scan, Optional Fax

- Speed: up to 25 ppm colour and mono
- Standard input 596 sheets with a maximum capacity of 2,096
- Paper weight: 60 – 256 gsm
- Staple, hole punch and booklet finishing options
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)
- Desktop or floor standing configurations
- Print Resolution of 1,200x2,400 dpi
- Cloud Service Hub and Cloud On-Demand Print ready\*

# Black and White

## Printers: A4

**DocuPrint P375 dw**

### Print

- Prints at 45ppm mono
- Built in Automatic two-sided printing
- Standard 256Mb memory with 533 MHz processor
- Standard input 550 + 150 sheets
- Network ready
- Optional wireless connectivity
- AMPV up to 10,000 pages

**DocuPrint P455**

### Print

- Speed: up to 45 ppm
- Standard input 700 sheets with a maximum capacity of 2,350
- Paper weight: 60 – 216 gsm

**DocuPrint CP505/555**

### Print

- Speed: up to 52 ppm colour and mono
- Standard input 550 sheets with a maximum capacity of 3,250
- 2GB RAM
- Up to 1200 x 2400dpi

**DocuPrint P505 d**

### Print

- Speed 63 ppm
- Duplex print speed up to 56 ppm
- Standard paper capacity 700 sheets maximum 3,250
- Optional wireless Lan
- High Capacity (30K) toner cartridge

## Printers: A3

**DocuPrint 5105**

### Print

- Prints up to 55ppm (A4)
- Duplex, Gigabit network as standard
- 2GB memory
- AMPV up to 50,000
- First page time out 2.7 seconds
- Mobile print support with AirPrint and Google Cloud Print
- Standard Paper capacity 1,095 sheets standard, maximum 5,095 sheets

## Multifunction Devices: A4

**ApeosPort-V 4020**

### Print, Copy, Scan, Optional Fax

- Print/copy speed: up to 45 ppm
- Standard input 700 sheets with a maximum capacity of 2350
- Adobe PostScript, Searchable PDF, High Compression Image Kit, USB Memory Kit, Annotation Copy Kit
- Paper weight: 60 – 216 gsm
- Compact design suitable for desktop
- Apeos solutions integration
- Mobile print capabilities (Google Cloud Print and AirPrint)
- Cloud Service Hub and Cloud On-Demand Print ready\*

**DocuPrint M465**

### Print, Copy, Scan, Fax

- Print/copy speed: up to 45 ppm
- Standard input 700 sheets with a maximum capacity of 2350
- Paper weight: 60 – 216 gsm
- Compact design suitable for desktop
- Mobile print capabilities (Google Cloud Print and AirPrint)

**DocuPrint M375 z**

### Print

- Speed 40 ppm
- Copy, Print, Scan, Fax as standard
- Wireless connectivity standard
- Single pass duplex scanning
- 3.7 inch colour touch screen

## Multifunction Devices: A3

**ApeosPort-V 3065 / 3060 / 2060**

### Print, Copy, Scan, Optional Fax

- Speed: up to 35 ppm
- Standard input 596 sheets with a maximum capacity of 2,096
- Paper weight: 60 – 256 gsm
- Advanced finishing options
- Apeos solutions integration
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)
- Desktop or floor standing configurations
- Cloud Service Hub and Cloud On-Demand Print ready\*

**DocuCentre-V 3065 / 3060 / 2060**

### Print, Copy, Scan, Optional Fax

- Speed: up to 35 ppm
- Standard input 596 sheets with a maximum capacity of 2,096
- Paper weight: 60 – 256 gsm
- Advanced finishing options
- Mobile printing capabilities (Google Cloud Print, Mopria and AirPrint)
- Desktop or floor standing configurations
- Cloud Service Hub and Cloud On-Demand Print ready\*

## Multifunction Devices: A3

**ApeosPort-V 5070 / 4070**

### Print, Copy, Scan, Optional Fax

- Speed: up to 55 ppm
- Standard input 1,095 sheets with a maximum capacity of 5,095
- Paper weight: 56 – 216 gsm
- Advanced finishing options
- Apeos Solutions Integration
- Mobile printing capabilities (Google Cloud Print and AirPrint)

**DocuCentre-V 5070 / 4070**

### Print, Copy, Scan, Optional Fax

- Speed: up to 55 ppm
- Standard input 1,095 sheets with a maximum capacity of 5,095
- Paper weight: 56 – 216 gsm
- Advanced finishing options
- Mobile printing capabilities (Google Cloud Print and AirPrint)

**ApeosPort-V 7080 / 6080**

### Print, Copy, Scan, Optional Fax

- Speed: up to 75 ppm
- Standard input 4,450 sheets with a maximum capacity of 8,600
- Paper weight: 52 – 250 gsm
- Advanced finishing options
- Apeos Solutions Integration
- Mobile printing capabilities (Google Cloud Print and AirPrint)

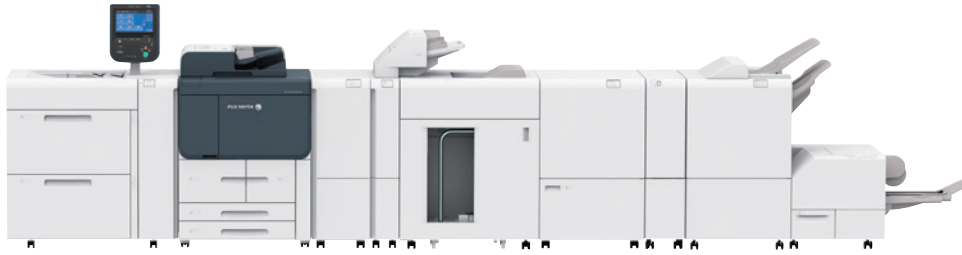

**DocuCentre-V 7080 / 6080**

### Print, Copy, Scan, Optional Fax

- Speed: up to 75 ppm
- Standard input 4,450 sheets with a maximum capacity of 8,600
- Paper weight: 52 – 250 gsm
- Advanced finishing options
- Mobile printing capabilities (Google Cloud Print and AirPrint)

# Production Printers

## Mono B9 Series

- Available in 100, 125 and 136 ppm configurations
- Optional GX Server
- Compatible with entire D6 Finishing solutionCompatible with Plockmatic Pro35/50 Booklet Maker
- Suitable for high volume office applications
- Applications such as instruction manuals, university dossiers, textbooks and variable data on offset-shell all capable

## PrimeLink™ C9070/C9065

- Available in 65 Colour / 70 Mono and 70 Colour/ 75 Mono ppm configurations
- 270ppm Scanner solution
- Mandatory GX Server
- Compatible with entire D6 Finishing solution or C3 booklet maker
- Supports 350GSM with up to 256GSM duplex
- Suitable for office applications requiring colour accuracy, automation and increased output
- Suitable for production houses for proofing, short run digital work, low volume booklet jobs

## Versant V180

- Prints 80 A4 equivalent ppm across all stocks
- Driven by GX Server or EFI Fiery RIP
- Compatible with entire D6 Finishing solution
- Compatible with Plockmatic Pro35/50 Booklet Maker
- Suitable for smaller production partners delivering a high quantity of low volume jobs
- Scalable to meet the demands of most professional or commercial applications
- SIQA enabled to improve accuracy, registration and colour management, all automatically controlled

## Versant V3100

- Prints 100 A4 equivalent ppm across all stocks
- Driven by GX Server or EFI Fiery RIP
- Compatible with entire D6 Finishing solution
- Compatible with Plockmatic Pro35/50 Booklet Maker
- Suitable for mid-tier production houses
- SIQA enabled to improve accuracy, registration and colour management, all automatically controlled
- Highly scalable to meet customer demands depending on application

## Iridesse™

- Prints 120 A4 equivalent ppm across all stocks
- First 6 colour metallic press offering over/ underlay printing technologies with white and clear spot embellishment capability
- Driven by GX Server or EFI Fiery RIP
- Compatible with entire D6 Finishing solution
- Compatible with Plockmatic Pro35/50 Booklet Maker
- Suitable for mid to top tier production houses, offset-driven commercial printers, colour specific customers, advertising agencies
- Now available in CMYK standard 4 colour as well as CMYK+ 5 colour and 6 colour options

# Software solutions

Fuji Xerox Australia is part of our global enterprise which has been providing innovative information management solutions well before the digital age. As one of the world's print and document management leaders with nearly 60 years of experience, we have evolved with the digital revolution to offer complete solutions that go beyond print. Whether yours is a small to medium business, enterprise organisation or government institution, we bring a consultative collaboration with your teams to find the right solution and harness your digital potential to deliver a secured, compliant and profitable business.

Our comprehensive portfolio of solutions provides unique options to deliver results for your business at every stage of the digital journey. Whether you need an integrated workflow or to reduce print costs, up to implement future work processes such as automation and machine learning, our teams and solutions can help to future-proof your business.

### Efficiency & Cost Management

In many businesses, traditional print management and new digital workflows exist in silos. With teams working at any time, from anywhere on any device, it is even more important today to balance the analogue with the digital. A hybrid environment helps to optimise the office demand and enable your workforce with the tools and content to work and manage cost effectively. At the heart of this is Fuji Xerox Enterprise Document Solutions that integrate multiple workflows to optimise your existing infrastructure, reduce print, improve data scanning and cost efficiency within a secured space.

### Security & Control

Cybersecurity threats, data leakage and responsibility for personal data require a robust and reliable solution set to negate potential legal and reputational damage to your business. The integration of digital technology and security measures can protect documents and data to ensure compliance and cost control. Real-time monitoring, controlled access authorisation, secure document encryption and intelligent document analysis simplify complex steps traditionally involved in data workflows, thus enable your business to develop your data security strategy.

### Effective Workforce & Process Management

Manual routing and processing for approval process, delayed payment affecting supplier relationships and cashflows, could add pressure to business profitability. High volume archaic procedure increases human errors and make data storage and retrieval a time consuming activity. Without real-time insights, it is challenging for businesses to rectify costly operative problems. New technologies in Accounts Payable workflow automation, smart form capture, line-of-business integration to simplify complex data blend the best of breed in automation and machine learning for optimised business outcomes.

#### About Fuji Xerox Australia

Fuji Xerox Australia is part of a world-leading enterprise supplying business and document management services. Through its broad portfolio of document technology, services, software and supplies, Fuji Xerox Australia provides essential back-office support that clears the way for customers to focus on their core business. Having received several awards including the United Nations 500 Roll of Honour for environmental leadership and the Banksia Award for Leading in Sustainability, Fuji Xerox Australia is widely recognized for its commitment to sustainability. For more information, visit [www.fujixerox.com.au](http://www.fujixerox.com.au) or [www.fxasustainability.com.au](http://www.fxasustainability.com.au)

Descriptions in this material, product specifications and / or appearances are subject to change without prior notice due to improvements. Please note that the product colour appears differently from the actual colour as a result of properties of papers or printing ink. Spares for the standard configuration of installed machines is supported for up to 7 years from the date of the end of machine production.

**All product names and company names mentioned in this brochure are trademarks or registered trademarks of their respective companies.**

#### Reproduction Prohibitions

Please note that reproduction of the following is prohibited by law : Domestic and foreign currencies, government-issued securities, and national bonds and local bond certificates. Unused postage stamps, post cards, etc. Certificate stamps stipulated by law. Reproducing works forming the subject matter of copyright (literary works, musical works, paintings, engravings, maps, cinematographic works, drawings, photographic works, etc.) is not permitted unless the reproduction is for the purpose of personal use, family use or other similar uses within a limited circle.

#### Certified Energy Efficient

These devices carry the international Energy Star label. Energy Star is a voluntary labelling program designed to identify and promote energy efficient products that reduce greenhouse gas emissions.

#### For Your Safety

Before using the product, read the Instruction Manual carefully for proper use. Use the product with the power source and voltage specified. Be sure to establish ground connection. Otherwise, electronic shock may result in the case of a failure or short circuit.
